GAYLE ECKER, DIRECTOR, EQUINE GUELPH

As Director of Equine Guelph, Gayle oversees the many programs offered by Equine Guelph, including the multiple award-winning online education programs. She has been a part of the horse industry all of her life, and was riding a horse before she was walking. Her main area of focus while growing up was spending many weekends on the horse show circuit for both Arabians and Quarter Horses and working summers as a veterinary assistant for over 8 years including at the racetracks with the Commission veterinarian. Following her Honours Bachelors degree in kinesiology and biology at University of Western Ontario, she obtained her Bachelors of Education at Althouse College and then her Masters of Science at the University of Guelph, studying fluid and electrolyte balance, dehydration and heat stress in horses. She has been an assistant chef d'equipe with the Canadian endurance teams, twice at the World Equestrian Games in France and Spain, and the Pan-Ams. She did extensive consulting with endurance competitors and team members on fitness, nutritional and electrolyte supplementation programs. She now helps develop and teach the online programs and workshops/seminars offered by Equine Guelph and leads the development of the ever-popular EquiMania! youth education program, which was the invited attraction for the Kids Zone at the 2010 World Equestrian Games in Kentucky!

Gayle Ecker, Hon. B.A., B.Ed., M.Sc.
