TERRY MYERS

Terry Myers is a leading trainer, teacher and national clinician, but above all he is a true horseman. Myers has trained stock and hunter horses for state, national and world competition. But he doesn't just train the show horse. His training is for all horses regardless of the discipline. He incorporates work with both horse and rider to achieve balanced movements.

His Ride-in-Sync philosophy helps riders understand how body position affects horse performance. Through Myers' 30 years of experience and work with hundreds of horses and riders, he has developed coaching and demonstration methods which provides logical information that is easily understood and put to use. Consistent and frequent feedback from clinic attendees is confirmation that Terry's training ideology and teaching style produces results. Myers has hosted clinics in horsemanship, showmanship, trail, ground work and body positioning at Equine Affaire Massachusetts, Equine Affaire in Ohio, Equus America Texas, Equus America Missouri, Equitana USA, Can Am Horse Expos in Ontario, Nova Scotia and New Brunswick in Canada. Clinics are also held at private stables as well as at the Terry Myers Training Center.
